

Regulation of HEC Montréal’s Darlington Residences

Appendix of the Lease

This document is a translation of the original French provided for our Anglophone students in order that the students may understand their lease requirements. In case of disagreement, the French version of this document prevails

The masculine gender is used in these rules solely for succinctness and refers to both men and women

1 Purpose

These rules are intended to introduce the student-tenant of HEC Montréal's residence to his rights and obligations so that every resident can benefit from a safe environment that is suitable for study and rest.

These regulations are an integral part of the lease. By signing the lease, the student-tenant acknowledges having read and accepted the regulations presented below.

The student-tenant must respect other regulations of the school including the Code of Conduct for students at HEC Montréal, the Regulation on the student's statement of account, the Policy on information security, the Regulation on student activities and alcoholic beverages, the Policy on a smoke-free Campus and the Policy to Prevent and Fight sexual Violence at HEC Montréal.

2 Renting Priority

HEC Montréal gives priority to full-time students from outside Canada to rent a room in the residence.

3 Definitions

3.1 Private areas

The words "private areas" refer to areas reserved for the exclusive use of the student-tenant (single room and locker in the storage room).

3.2 Shared areas

The words "shared areas" refer to areas accessible to all tenants of one apartment (eg. bathrooms, corridors of the apartment, kitchen, living room, and if applicable, the balcony).

3.3 Common areas

The words "common areas" refer to areas accessible to all tenants of the residence (eg. Corridors, stairways, community room, laundry room, storage room, grounds and other public spaces in the residence).

4 Lease

4.1 Lease inclusions

The lease includes access to the private area, shared areas and common areas and also includes the following elements:

- Room contains a single bed frame, a single bed mattress, a mattress cover, a bedside table, a wardrobe, a desk, a desk lamp, a desk chair, a fan and curtains ;
- The living room has a two seater sofa, a coffee table, a dining table and chairs;
- The kitchen is equipped with a sink, stove and refrigerator with freezer;
- The bathroom includes a shower, a toilet and a sink.

In addition, the lease includes the following services:

- Heating, electricity, hot water;
- High speed Internet access;
- A locker in the storage room on the ground floor for each resident. To that effect, the resident will provide his own lock;
- Free Access to a laundry room ;
- Housekeeping that will service the common areas;
- A support service;
- A mailbox for each apartment in the lobby.

Moreover, some services are optional and allocated on a first come, first serve basis:

- Free bicycle spots;
- Outdoor parking space with a fee

4.2 Lease duration

The lease is valid for nine (9) months, from August 17 to May 16, of the following year. Residents can stay in their apartment for the duration of their lease including Christmas, Eastern, spring and winter breaks.

It is possible to extend the lease for a maximum of one (1) month and pay the fees accordingly. However, Student Services can refuse an extension of the lease.

4.3 Room assignement and relocation

The Student Services of HEC Montréal are responsible for the final room assignment and the student-tenant agrees to accept this assignment and to take an active role in getting along with each of his roommates. Only the Student Services may authorize a change of room or apartment. When the situation requires, the Student Services reserve the right to relocate a resident during the lease term.

4.4 Occupancy

The student-tenant whose name is on the lease is the only person allowed to occupy the room assigned to him. He cannot sublease, lend or assign the lease to another individual without the permission of the Student Services. Furthermore, no cohabitation is permitted.

4.5 Rent payments

Rent payments are due on the 17th day of each month. The student-tenant is responsible for the payment and must make sure the rent is paid each month, on the due date without any notification from the Student Services.

Three solutions for the payment :

- Check (to be delivered to the Student Services office, Rj-711)
- International wire transfer
- Wire transfer from a Canadian bank

No rent reduction will be allocated for not been present during vacations times or unused services by the student-tenant

4.6 Rent overdue

A delay of more than 21 days to pay the rent will result in administration fees and the blocking of HEC en ligne.

No transcript or diploma will be given to the student-tenant whose account is overdue.

4.7 Additional fees

In case of damage, HEC Montréal will perform the work or repairs and the student-tenant will be charged accordingly. Failure to respect residence regulations could lead to penalties.

4.8 Lease termination

The lease is a legal contract and cannot be canceled unless:

- The student is no longer enrolled at HEC Montréal;
- The student is expelled from the residence for non-compliance of the regulations.

Then, the student-tenant will be released from his obligations but a penalty equivalent to one month's rent will be imposed.

In all other cases, no cancellation is possible, and the student-tenant is responsible for the lease obligations for the entire duration of the lease.

Any request for lease cancellation must be made either by sending an email to residence@hec.ca or by writing in hard copy to the Student Services at HEC Montréal. The receipt date of the request will be considered as proof of the date of lease termination.

4.9 Departure

An inventory checklist will be made on arrival and on departure of the residence. At the end of the lease, the student-tenant agrees to return both private and shared areas to their original state.

Thus, he must:

- Remove all personal belongings.
- Clean all private and shared areas.

He must also:

- Hand deliver his magnetic chip, room key and mailbox key to the Student Services of HEC Montréal, unless another agreement has been made;
- Change his address as soon as possible.

A fee will be claimed from the student-tenant if the state of the apartment is found deficient (eg. Dirt, damage, missing items, repairs not made in accordance to regulations, etc.).

HEC Montréal will not hold any items found in the residence after the departure of the tenant and does not assume responsibility for any items found.

5 Site Inspection

A representative of the Student Services will check the rented premises regularly in order to verify the general condition and compliance with rules regarding hygiene, cleanliness and safety. Prior to inspection, a verbal or written notice of 24 hours will be given to the student-tenant.

6 Rules for living in the residences

The residence is dedicated to being a safe environment and favorable atmosphere for study and rest. A basic rule for living in residence is the respect for self and others.

6.1 Display and decoration

It is permitted to decorate the private areas and shared spaces to make them more pleasant while respecting the integrity of these areas. The student-tenant can affix pictures or posters on walls, but he must use a reusable and clean adhesive that will not damage wall surfaces.

Messages, pictures, or decorations of an obscene, sexist, racist, or discriminatory nature will not be tolerated.

Decoration of public areas and doors is not permitted. The National Fire Code does not allow posted signs on the outside of apartment doors due to fire hazard.

6.2 Animals

The student-tenant cannot bring in or keep an animal in the residence. The sole exception is visitors with disabilities who may be accompanied by a service animal.

6.3 Noise

Student-tenants and their visitors must respect the right to peacefulness of all residents and neighbors of the residence. Thus, excessive noise in the field or from the residence, should be avoided, especially between the hours of 11 p.m. and 8 a.m.

Student-tenants and all visitors must:

- Use discretion with TVs, radios, stereo systems or any other sound devices;
- Be discreet when circulating in the corridors.

6.4 Magnetic chip and key

A magnetic card will be given to the student-tenant on arrival. This card will allow him to open the main door of the residence and that of his apartment. A key of his/her bedroom will also be given to the student-tenant on arrival

The student-tenant agrees, when absent, to always lock the door of his apartment and close the windows to protect the residence. The main entrance door of the residence will be locked at all times.

For energy concerns, the student-tenant agrees to turn off all the lights and reduce the heat when leaving the apartment. During winter times, the temperature must be set a minimum of 18 degrees Celsius.

If the student-tenant loses his magnetic card, he must promptly notify the Student Services and pay costs for its replacement. It is strictly forbidden to reproduce the card or to modify the lock.

6.5 Traffic within the residence

The use of bicycles, inline skates and skateboards is prohibited inside the residence.

6.6 Corridors and stairs

For safety reasons, no one shall obstruct free passage in corridors and on stairs by leaving objects such as shoes, furniture, bicycles, etc. Any object left in these places will be removed without notice.

6.7 Mail

The student-tenant have a mailbox shared with his other student-tenant of the same apartment.

The mailing address is:

Nom of the tenant
Résidence étudiante HEC Montréal
5714 avenue de Darlington
Apartment Number
Montréal (Québec) H3S 2H7

The postal service is provided by Canada Post and HEC Montréal cannot be held responsible for mail delivery.

6.8 Housekeeping

The student-tenant is responsible to maintain his/her private area and the shared areas cleaned. All the student-tenants of a same apartment will have to share housekeeping tasks.

The housekeeping of the common areas (main hall, laundry, common room, corridors, stairs, ground etc.) is serviced by HEC Montréal.

A cleaning fee will be charged to any tenant who leaves his room or his apartment in an unacceptable state of cleanliness during the stay or upon departure.

6.9 Outdoor areas (balconies and grounds)

Student-tenants can gather on the residence grounds. However, it is forbidden to leave furniture outside or to throw objects from the residence. In addition, large gatherings, on balconies or on the residence grounds, are not allowed.

6.10 Emergency evacuation

The student-tenant will comply with the emergency evacuation plan and participate in any emergency drills.

6.11 Harassment

The Civil Code of Québec states that no one may harass a student to restrict his right to a peaceful enjoyment of the premises or to induce him to leave his room.

6.12 Integrity of premises and equipment

The student-tenant agrees not to make any changes or modifications in the residence. Thus, it is prohibited:

4.9.1 To install, alter or make an addition to an electrical, networking or telephone installation.

4.9.2 To repaint, to perforate or to redecorate any of the walls, ceilings, floors or furniture from the residence.

The student-tenant is required to protect the house against cold, frost and bad weather by ensuring that doors and windows are closed. For the sake of saving energy, he must also turn off lights and lower the temperature upon leaving his apartment.

In addition, the student-tenant must keep all furniture, equipment and any items made available by HEC Montréal in a good state, and he should leave furniture from shared spaces and common areas in place for common use by all tenants.

6.13 Insects and pests

The residence is inspected by a specialized firm before the arrival of student-tenants and after their departure to ensure that there are no insects or pests within the residences. The student-tenant must notify the Student Services as soon as possible of any insects or vermin in his room or in any other area of the residence.

HEC Montréal is committed to inspect and treat the area as soon as possible.

If the student-tenant fails to report such a problem in due time, any extermination costs incurred by the school will be his responsibility.

6.14 Furniture

The student-tenant can personalize his space, but he cannot replace or add large furniture. Thus, it is forbidden to bring the following large items to the residence: washers, dryers, refrigerators, freezers, stoves, air conditioners, beds or mattresses.

6.15 Garbage, recyclables and compost

The student-tenant must put his garbage in plastic bags and place it in the black bins provided for this purpose. For health reasons, it is forbidden to accumulate waste in the rooms or in any other place at the residence.

Recyclable materials such as cardboard, paper and glass should be placed in the green bins provided for this purpose in the garage.

Compost waste should be placed in the brown bins in the garage.

6.16 Food preparation

Due to fire hazard, frying will not be permitted in the residence. In addition, the student-tenant agrees not to use any device in his room for cooking, roasting or heating foods because the electrical and ventilation systems do not allow it.

6.17 Repairs

Any damage, defect or deterioration of the premises or property must be reported promptly to Student Services. Any urgent damage must be reported immediately to the Facilities Management Service and, or if you cannot join them, to the Security Service.

6.18 Hazardous substances and objects

It is prohibited to introduce, retain, or use in the residence, on balconies or on the grounds the following devices and objects:

- any substance that is explosive, flammable, corrosive or otherwise damaging;
- candles or open flame devices;
- wood, gas, coal or electric barbecues;
- any device requiring the use of combustible materials;
- stoves or portable stoves;
- additional heating systems;
- guns, weapons, or toy guns.

6.19 Security systems

It is strictly forbidden to trigger the alarm system and to use fire extinguishers and fire hoses unnecessarily. Negligent handling or damage to fire prevention equipment and emergency systems, including fire alarms, are liable to prosecution, expulsion from the residence, and financial penalties.

6.20 Telecommunications

Each tenant must comply with IT resource usage rules of the School as published in the Information Security Policy. Among other rules, it is forbidden to use the residence's telecommunications tools for commercial or for illegal purposes.

6.21 Visitors

Visitors will be allowed in the residence only as the guests and in the presence of student-tenants.

Each resident is responsible for the behavior of his visitors and visitors are subject to the same regulations as student-tenants.

7 Tobacco, alcohol, drugs, solicitation and gambling

7.1 Tobacco

It is forbidden to smoke or use electronic cigarettes on the premises of the residence (inside and outside). This rule applies to residents and visitors in private spaces, shared spaces, public areas, and balconies.

7.2 Marijuana

It is forbidden to smoke or to grow marijuana on the premises of the residence (inside and outside). This rule applies to residents and visitors in private spaces, shared spaces, public areas, and balconies.

7.3 Alcohol

In Quebec, the legal age to consume alcohol is 18.

Consumption of alcoholic beverages is a personal choice. However, HEC Montréal encourages its students to adopt safe and responsible behavior. All drinking games are prohibited.

To be in a drunken state can, in no case, serve as an excuse or pretext for the violation of the lease of the residence regulations or municipal, provincial and federal laws.

7.4 Drugs

The possession, consumption, or traffic of drugs in any form whatsoever, is prohibited in Canada and result in expulsion from the residence as well as legal sanctions.

7.5 Solicitation and gambling

Any kind of trade, solicitation, or gambling are prohibited in the residence and its grounds.

8 Damages and offenses

The student-tenant will be held responsible for any damage that caused by his actions, his fault, his imprudence or his negligence to private, shared or common areas of the residence or to any residence furniture.

The student-tenant responsible for any damages will be required to pay a fee for the refurbishment of the premises and for any repairs.

Tenants of an apartment shall be jointly and severally liable for any damage caused to their shared space if it is not possible beyond a reasonable doubt to attribute the fault to one of them.

Moreover, any student-tenant convicted of an offense under the Code of Conduct for students from HEC Montréal or a breach to the rules of the residence is liable to receive an eviction notice and suffer the legal consequences of his actions.

9 Discipline and regulations

The Student Services will take appropriate action in the case of non-compliance by a student-tenant of laws in force in Canada, of the lease or of this Regulation. The offense, if any, will be treated according to the procedure prescribed in the Code of Conduct for students from HEC Montréal.

10 Responsibilities

10.1 Responsibility of the student-tenant

Each student-tenant is fully responsible for his personal belongings. He is also responsible for any damage he may cause to others through the negligence or misuse of his own property (fire, theft, vandalism, water damage, etc.)

HEC Montréal accepts no liability to the student-tenant or to any other person for the loss, destruction or theft of items brought, left or deposited in the residence areas (room, apartment, corridors, community hall, warehouse, etc.) or in the field.

10.2 Responsibility of Student Services

The university residence HEC Montréal is under the responsibility of the Student Services. It is mandated, jointly with the Security Service, to ensure the application of this Regulation.

The Student Services of HEC Montréal will offer, in all confidentiality, support for the resolution of any disputes between residents.

The rules of the residence may be changed at any time and without notice by the Student Services at HEC Montréal.

10.3 Responsibility of HEC Montréal

HEC Montréal is responsible for providing a safe environment for student-tenants of the residence. However, HEC Montréal assumes no responsibility towards the student-tenant, or any other person, for fire or damages suffered or caused by the fault of a tenant or a third-party located in the residence or on the residence grounds.

In addition, HEC Montréal accepts no responsibility for any accidents that may occur to the student-tenant or to any other person, in private areas or in any other area of the residence or on the residence grounds.
